Algae Extract by Greenleaf Nutrients

Algae Extract

Nutrient and plant enhancer and growth stimulant causes vigorous growth of plant and stem. Includes more than 70 minerals, growth hormones, cytokinin, auxins, vitamins, and enzymes. This formula is similar to AlgenExtract.

Dosage: .4 grams per Gallon, or 1 tsp per 10 Gallons. Or, mix entire contents with specified amounts of water to make concentrated liquid formula. For long life, keep as dry form and mix into liquid when ready to use as needed.

Storage: Dry nutrients can absorb water from the atmosphere and may be degraded by light. Store in dry, dark container.

PH Balance: Adding any nutrients or additives may effect pH of nutrient solution. To get a proper pH, add the nutrients first, then finally measure and balance pH in your final formula mix afterward.

Derived from: Kelp (Derived from Ascophyllum Nodosum Seaweed)
